This is not just any shooter, it has serious wow-factor next-level visual appeal! *The barman will ignite the coffee liqueur and Sambuca in the glass. Whilst you are drinking it from a straw*, the Blue Curaçao and Amarula Cream liqueur are slowly added to the burning liquid to create a unique flavour.

Nikolaschka R 50,00
Brandy, lemon, coffee, and sugar

The ritual:

First, put the lemon slice (with sugar and coffee) in your mouth. Then immediately drink the shot of brandy through the lemon in your mouth. Chew the lemon, sugar, and coffee together and swallow. The whole thing is meant to be a quick, intense burst of flavor - bitter, sweet, sour, and strong all at once.

Tequila Pop R 45,00
Tequila and Sparkling Wine

The ritual:

This is a fun, fizzy shooter where the “popping” happens in the glass just before you drink it. Cover the glass with your coaster. Place your hand on the coaster to secure it. Pop it! Slam the glass down firmly on the table or bar — the sparkling wine fizzes up instantly. *Drink it immediately before the fizz dies down.*
